

CS201 - Assignment 5, Part 1

I know this is a busy time of the semester so for part 1 of this assignment the only thing that I'm asking you to do is submit feedback for the course. It is not required, however, any feedback would be helpful for me, especially if you have issues or things you'd like to see addressed. It's anonymous, so feel free to be open and constructive.

The form to submit feedback is at:
