Homework 0

Purpose:

The purpose of this homework assignment is to help you get familiar with course syllabus and practice the editing and submission process of homework assignments in CS101. It should be turned in via www.gradescope.com by 11 p.m. on Monday, 1/28.

Tasks:

1. (1 point) **Academic Honesty Declaration** (1 page)
   Please declare all your collaborations and external resources you used.

2. (3 points) **Course Syllabus**

   (a) Please list the textbooks used in this course. (1 page)

   (b) When is the midterm exam? (1 page)

3. (3 points) **Instructor and Student Mentors**

   (a) Please list the office hours of the instructor (2 pages)

   (b) Please list the student mentors in alphabetical order of their first names. (1 page)

4. (3 point) **Editing** (1 page)

   Please include an image of your favorite place on Pomona College campus. Please use proper figure caption and figure reference. And write one or two sentence why this is your favorite place.

Criteria:

Your assignment will be graded based on the correctness of the answers and whether you have followed the editing and submission requirement. HW0's score will not be counted towards your final course grade. The point deductions indicate warnings for mistakes in this submission. Points will be cut for editing and submission mistakes made in later assignments.

Submission Guideline:

Please use the HW template to edit your HW. The text in blue are instructions; they should be either removed, or replaced with proper contents and turned into black. Please submit your homework solutions online via gradescope.
